### **CLIMATE CHANGE REVIEW DISCUSSION PAPER RELEASED**

The Federal Government has released a discussion paper for public consultation as part of the 2017 review of climate change policies.

The discussion paper follows the Government's commitment to review its climate change policies when it set Australia's target to reduce emissions by 26 to 28 per cent below 2005 levels by 2030.

The discussion paper can be accessed via: [www.environment.gov.au/climate-change/review-climate-change-policies](http://www.environment.gov.au/climate-change/review-climate-change-policies)

The Government invites submissions on the discussion paper by 5 May 2017.
